Visions and Values

At Ricards Lodge we believe in four values which underpin our moral purpose and embed these across the school; Trust, Equality, Resilience, Aspiration.

We value individuality whilst emphasizing equally the importance of tolerance, teamwork and collective responsibility.

The school strives to build confidence, integrity and excellence in a caring, innovative and happy community so that each student leaves having been given the best possible chance of achieving their full potential, taking with them sound values, a breadth of skills and knowledge and ready to face the challenges of life.

We are proud of our comprehensive status and our students come to us from a wide range of abilities, backgrounds and cultures.

We value the diversity of the staff and student body and celebrate the similarities and differences that exist between us.

The key **aims** of this policy are to:

- a) Ensure that all students and staff have the opportunity to achieve their full potential through the development of aspirations and the motivation to succeed and the courage to try again if they do not achieve their desired outcome at first.
- b) Ensure that students and staff treat each other and those in the wider community equally with honesty, dignity and respect at all times and develop a model of trust in order that all groups within our school community can flourish.
- c) Prepare students for life in a diverse and global society; secure in the knowledge of their own worth and be able to take their place in an ever changing world.

Equality and the Law

Additionally this policy aims to meet our obligations to publish information to demonstrate how we are complying with the Public Sector Equality Duty and to publish equality objectives. At Ricards Lodge we see all people as of equal value and welcome our duties under the [Equality Act 2010](#)

School Vision

At Ricards Lodge we realise our vision to 'Educate Successful Women of the Future'.

- To ensure that all our students are able to take full and equal places in society; who take opportunities and assume responsibility in a changing global society
- To deliver to all our students a contemporary, varied and rigorous curriculum
- To provide a stimulating, secure and purposeful environment in which each student is motivated to strive for excellence
- To work together in an effective partnership with parents and carers and the wider community.

The school has, at its core, the spiritual, moral, social and cultural development of our students both through and beyond the curriculum. Staff make students aware of the importance of the British values of democracy, the rule of law, individual liberty, and the mutual respect and tolerance of those with a different faith and/or beliefs in order to ensure that they are well prepared for life in modern Britain.

Ricards Lodge High School is firmly committed to promoting, celebrating and valuing the diversity of all our staff and students. We aim to create an open and welcoming environment. We take seriously our commitment to equality of opportunity, and seek to proactively challenge and address discrimination, inequality and stereotyping in all areas, including those associated with disability. We aim to develop a culture of inclusion and diversity in which all those connected to our school feel proud of their identity and are able to participate fully in school life. Our school values which have been agreed by all members of the school community reflect this commitment.
